Submitted to the Municipal Commissioner

In connection with the above, begs to state that from the references forwarded with the above, it is seen that it took one year and three months during 1929-30 for the completion of the General revision work and one year and nine months during 1937-38 for the same. Ever since 1937-38, the City has grown in all directions and the Special Staff for revision work during 1942-43, may be kindly sanctioned for two years

The marginally noted staff may be kindly sanctioned for

One Special Revenue Officer on Rs 150/- plus 50 D A	pose as
One Accountant on Rs 40/-	was done
One Clerk on Rs 25/-	during

-----	revision

According to Section 75 of Mysore City Municipalities Act, the taxes should be revised not less than once in every four years. There was an interval of 8 years between the revision of 1929-1930 and 1937-38. It is therefore for consideration whether revision might be taken up during 1942-43 in view of war conditions etc

The file received with the memo under reference is herewith returned for reference
